EXECUTIVE DIRECTOR'S MESSAGE

Message from the Executive Director

Welcome to the 8th annual Scotiabank U9 March Madness Hockey Tournament, presented by Buy Low Gas, Beyond Braces & Landmark Premier Properties.

Our tournament committee welcomes all players, team officials, referees, family and friends. We sincerely do appreciate the participation of teams from the lower mainland and those that have traveled many miles to be here.

We truly hope that all the players, coaches, referees and parents will have an enjoyable time and when the tournament is over, everyone will travel safely home, with memories that will be treasured forever.

I would like to take this opportunity to express my sincere appreciation to all our tournament Volunteers. Through consistent hard work and commitment, each one of you have made this tournament a significant event for the association and ensured that our visiting teams have a positive experience on and off the ice.

A special thank you is also extended to all our title sponsor Scotiabank, presenting sponsors Buy Low Gas, Beyond Braces & Landmark Premier Properties and to all our tournament sponsors who have made this tournament possible. Thank you for your outstanding support of our hockey community!

Good Luck to everyone, have a great tournament, and most of all have fun!

Scott Ackles - Executive Director Semiahmoo

2026 SEMIAHMOO U9 MARCH MADNESS TOURNAMENT

TOURNAMENT RULES

This tournament is on a small ice surface (Excellent Ice) and will play the full length/area of the ice. Game play will be 5 on 5 unless discussed prior to the game.

Coach Discussions

In the interest of fair play, we encourage the Coach of each team to discuss and determine prior to the game having balanced lines or matched lines.

Length of Game

Each ice time is 60 minutes, and we will follow the rules and regulations of U9 pathway hockey in the PCAHA and BC Hockey guidebooks: https://pcaha.ca/wp-content/uploads/2025/09/U9_2025_2026_Guidelines-Final.pdf

Time Clock for Games

4-minute warm-up

24-minute running time period

2-minute break

24-minute running time period

If a penalty is called, the player will skate back to their bench. At the time of penalty the player will serve their penalty on the bench and game play will continue 5 on 5

5-puck shootout; winning team wins Tim Bits for their team!

The Scorekeeper will show the time on the Arena score clock, however there will be NO Score, or Penalties shown on the arena score clock OR on Spordle Play.

Tim Horton's 5-Puck Shootout Rules

Following each game, the teams will participate in a 5-puck shootout. Only players that participated in the preceding game are eligible for the shootout that follows. We reserve the right to cancel the shootout for a particular game if it becomes evident that we cannot complete it in a timely manner, and it begins to impact the overall tournament schedule.

TOURNAMENT RULES

- It begins immediately following completion of the game. Goaltenders switch ends and players should return to bench before competition starts.
- The competition will be referee led, with one on each end of the ice.
- Teams will shoot on opposing team's net.
- Coaches will determine the order in which players shoot but are expected to change the order from game to game in order to permit all players an equal chance to participate.
- Five pucks will be lined up across each blue line.
- Players line up on the benches.
- Upon the referee's whistle, the first player comes off the bench and attempts to score with a puck.
- If the first player scores, it is the next player's turn. If the first player does not score, the player must retrieve the puck and pass it to the next player in line, who will be standing at the blue line near the bench.
- After their turn, players should return to their bench and get back in line.
- The first team to complete the shootout will receive TWO boxes of Timbits to bring back to the dressing rooms to share with both teams

Penalties & Game Play

- Equal playing time is mandatory.
- Games will be change on the fly, unless both coaches agree to utilize a 2 minute buzzer due to player experience
- Penalties will be called by the referees; however, no team shall play short-handed. The referee will call the penalty and talk to the player about the penalty and send player to bench; new player to replace penalized player, then let play continue. Coaches are expected to review fair and safe play with the penalized player while on the bench.
- Face offs will be conducted after all stoppages in play.

TOURNAMENT RULES

- Gretzky Rule: The three-goal maximum is difficult to enforce with this age group and on the small ice surface, however, the Tournament Committee asks that Coaches make every effort to encourage players to pass the puck after achieving 3 goals.
- Coaches are not needed on the ice, except in the event of a referee no show so please ensure that one coach from each team brings skates and helmet.

Medals

Medals will be provided to the Team Manager for your last game. Considering we only have 60 minutes per ice time, and the 2 teams playing against each other may or may not be their last game of the weekend as well, please present them to your players in the dressing room.

Team Packages & Spordle Play

Thirty minutes prior to your FIRST game, please have a representative from your team pick up your team bin from the tournament desk.

All games will be in SPORDLE. Please ensure that you are familiar with the app and have logged in and entered your player numbers prior to attending the tournament. Before each game, please sign your game lineup.

Dressing Rooms, Common Space & Restaurant

- There are 4 dressing rooms per sheet of ice. Each team has 30 minutes before and after each ice time in the dressing room. You may want to bring a lock to ensure all valuables are kept safe while you are on the ice. Dressing rooms will be assigned, please ensure that you and the team you are playing against are using either rooms 1 & 3 or 2 & 4 and then the following 2 teams will alternate.
- The dressing rooms and the hallways are tight! Please advise parents that it is best to only have 1 parent per player in the room if the children need assistance getting dressed and to be mindful of the hallway space, so the players and their gear have room to get through to their rooms.
- Team officials are responsible for ensuring their dressing rooms are left in a neat and orderly condition. **If any damage occurs, the team will be billed for damage or cleaning up as applicable.**
- There is lots of room upstairs in the restaurant and mezzanine for parents to watch all the action! Please if you are sitting in the restaurant area, be sure to order something. If you are not eating/drinking, please sit at ice level or watch from the mezzanine.
